The Joy of Signing Goodreads Share book

Went to a sign language class with the family and enjoyed it so much that I bought the Joy of Signing. My granddaughter and I had a great time learning new words and also taught ourselves how to do the Our Father. I've always liked shorthand and signing but have never spent the time it takes to make me profecient at either one. Well, nothing ventured, nothing gained. A little knowledge is better than none at all.
