Surviving in Psychiatry as a Systemic Therapist

Although family therapy was born to deal with problems posed by severe mental disorders, systemic therapists today tend to drift away from the field of psychiatry The author refers to his own experience in psychiatry to argue in favour of the presence of the systemic model within the field: systemic

Editors note: First published in 2005, American Family Therapy Academy Monograph Series. Editors note: Although this chapter was written in 2005, we see little change from Dr. Pakman s assertions about so-called modern psychiatry and the lack of systemic or poststructural approaches within psychiatry.

Family Therapy King s College London

I chose to study Family Therapy after many years working in child safeguarding social work and child & adolescent mental health. As I intended to continue working in this field, I wanted to study a specific model of intervention and the systemic model made most sense to me.
