Silence Unabridged by Sh saku End on iTunes

Endo's writing is outstanding and the narration for this audiobook is solid. I cared about the characters and they were all very human. None of Endo's characters are simple; they are all flawed, and they are difficult to just like or just hate. If you are on a spiritual journey, you will be able to relate to the "silence" endured by the main character. If you are not on a spiritual journey
